

Dr. Coldwell's Acid-Alkaline Protocol (Item #7029)

A Healthy and Effective Wellness Management Protocol for Balancing Alkaline Levels

Products included in this Wellness Protocol are:

1. Universal Greens #6804 – Greens contain the power of the sun via the chlorophyll molecule. A great aid for building the health of the blood since you cannot have a healthy nervous system if the blood is dirty with toxins.
2. Omega Minerals #2000 - A complexed form of all the macro and micro minerals. This insures that there are adequate levels of the other minerals present for maximum absorption.
3. Oxy-Plus Drops #2700 – Supplies adequate oxygen for the cells. The brain cells require 12 times more oxygen than other body cells. Please take as directed on the product label.

Product Overview

Universal Greens - What are Universal Greens?

Universal Greens are a combination of forty herbs, grasses, grains, fruits and vegetables that are formulated for easy assimilation. One of the more important ingredients included in Universal Greens is Tracite®, our own proprietary blend of full-spectrum, plant derived trace minerals. Tracite (Item #2031) has over 77 different trace minerals and elements that are necessary for a healthy vibrant life. Because of its high fulvic mineral content, Tracite facilitates the absorption of nutrients directly into the cells, while the special blend of grasses and whole food nourishes and balances your body's pH levels.

What are some of the benefits of taking Universal Greens?

Universal Greens offer many health benefits, including alkalizing and energizing your body. Using Universal Greens regularly can assist in slowing down the aging process and can help to prevent disease. Drinking Universal Greens throughout the day can also help to stabilize blood glucose levels and assist in weight loss, while also whitening and freshening your teeth and breath. This is a foundational food supplement that will support, nourish and build every cell in the human body.

Other important information:

The key to getting the best results from Universal Greens is to sip on your drink throughout the day (between meals) until you have ingested approximately three to four quarts of water with Universal Greens added. Our bodies are seventy percent water and most people are chronically dehydrated without even knowing it. Chronic dehydration can lead to many health issues. If you are overweight, consider drinking an additional quart of water per day. A good daily guideline for water amount is one quart for every 50 pounds of body weight.

Omega Minerals is chelated to amino acids and citrate for enhanced bio-availability. An excellent multi-mineral complex.

Taking a few capsules daily of Omega Minerals insures that you receive a daily intake of minerals and trace elements in their most bio-available (plant derived) form. We have added trace minerals and elements from an all natural organic source. The macro-minerals are chelated with amino acids forming amino acid chelates (this is how all minerals appear in plants) and citric acid chelating "citrates" known for their excellent bio-availability.

Oxy-Plus Drops – is a harmless chemical preparation, not a drug. This preparation is NON-TOXIC when used as directed. Always seek advice from your health care professional before using this product.

OxyPlus Drops stabilized oxygen is an oxidant similar in effect to Hydrogen Peroxide, but is more stable, because instead of releasing gas in the stomach, they react with the stomach acid, and release "molecular" oxygen. Even though OxyPlus Drops is many times more effective than hydrogen peroxide as an oxidant there doesn't seem to be any nauseous feelings or unpleasant taste from the OxyPlus Drops.

The reason we believe that OxyPlus Drops works so well is the specific "enzyme enhancing" qualities of the chlorite ion. Chemically speaking, the chlorite ion is a molecule of chlorine and oxygen with a strong negative charge. The same molecule with a neutral charge is chlorine dioxide, an even more potent oxidizer and a super effective killer of microbes.

Dosage Recommendations:

Universal Greens: As directed on the product label

Omega Minerals: Take 1 vegi-capsule with each meal
or as directed by a qualified health professional.

Oxy-Plus Drops: Take 4 drops diluted in 8 ounces of water up to 4 times daily
or as directed by a qualified health professional.

Oxy-Plus Drops MUST BE DILUTED in Juice or Water.

**Please DO NOT modify levels of any prescribed medication
without first consulting your physician.**
