Protocol Overview

Lupus is a chronic, autoimmune disease that can damage any part of the body (skin, joints, and/or organs inside the body). Chronic means that the signs and symptoms tend to last longer than six weeks and often for many years. In lupus, something goes wrong with your immune system, which is the part of the body that fights off viruses, bacteria, and germs ("foreign invaders," like the flu). Normally our immune system produces proteins called antibodies that protect the body from these invaders. Autoimmune means your immune system cannot tell the difference between these foreign invaders and your body's healthy tissues ("auto" means "self") and creates auto-antibodies that attack and destroy healthy tissue. These auto-antibodies cause inflammation, pain, and damage in various parts of the body.

This protocol combines supplements to provide adequate nutritional support, essential trace minerals, herbs that feed other problematic glands in the brain, support for a healthier immune system, and aids in soothing the nerve sheaths, muscles tendons, ligament tissues, bowel tissues and stomach tissues.

Quint-Essence is a complete, unique blend of the highest quality and potency "plant-derived" ingredients found together as a food supplement. This product is based on Universal Formulas' eight essential and premier products:

- **Food Enzymes** aid digestion and increase nutritional value at a cellular level.
- **Pro-biotics**, or, "good bacteria," enable a health balance in the gastro-intestinal tract.
- **Macro-Minerals** provide the building blocks for healthy bones, muscles, tendons and teeth.
- **77 Trace Minerals** provide the electrical charge needed by each cell to thrive.
- **Vitamins** are chemical structures needed for the body to process nutrients.
- **Extra Natural Vitamin C** naturally supports the body's immune response.
- **Extra Natural Vitamin E**, one of nature's most potent anti-oxidants.
- **Our Blend of 44 Greens** provides a "whole food" element and a vegetable exchange.

A new standard, this blend is extremely effective at providing a daily nutritional foundation that is a simplified, consistent and balanced supplementation. Quint-Essence is also vegetarian compliant.
